AUTHORIZATION TO CHARGE DEPOSIT ACCOUNT
AND NOTIFICATION OF LARGE ENTITY STATUS

Sir:

Applicant submitted a Statement of Substance of Interview Under 37 C.F.R. § 1.133 and Supplemental Response Under 37 C.F.R. § 1.111 in the above-referenced application on February 27, 2006. However, the Amendment Transmittal submitted therewith inadvertently authorized the charge of small entity fees to Deposit Account No. 50-0206 when large entity fees should have been charged. Although the Amendment Transmittal also authorized the charge of any additional fees, the Commissioner is hereby explicitly authorized to charge the undersigned's Deposit Account No. 50-0206 the amount of \$280.00, which is the difference between the large entity fees due (\$200.00 for one independent claim in excess of 3 and \$360.00 for the first presentation of multiple dependent claims) and the small entity fees paid (\$100.00 for one independent claim in excess of 3 and \$180.00 for the first presentation of multiple dependent claims).

It is believed that no additional fees are required for the consideration of the Supplemental Response. However, in the event that the USPTO determines that a variance exists between the amount authorized above and the amount due, the Commissioner is hereby authorized to debit or credit such variance to the undersigned's Deposit Account No. 50-0206.

Respectfully submitted,

HUNTON & WILLIAMS LLP
